*To All*

*We were all saddened at the club to hear of the passing of Reg Booth.*

*Whilst knowing Reg he has always been a character of the League with his humour and fair spirit and consideration to fellow players. During the past years I have had the pleasure of sitting along side him on the Stafford League Billiards and Snooker Committee to which he was an excellent officer and I can re-iterate his quality of fairness to all. Reg was a true pleasure to know and will be very much missed by all who knew him.*
