

## **SDBSL TREASURER'S REPORT 2014 AGM**

Enclosed with this report you will find the audited copy of the Income and Expenditure account for the year ended 30<sup>th</sup> June 2014 for the Stafford and District Billiards and Snooker league.

I have forwarded it to all clubs via the League Secretary to enable them to peruse it in advance of the meeting and consider any questions they may wish to ask.

I would like to thank Brian Coppin and Frank Curtis on behalf of the league for the promptness with which they have carried out the audit in the tight timescale between the year end and the AGM.

As you will see from these accounts, the league continues to be in a healthy situation financially, with assets in excess of £5600.

There are two items of expenditure which I would like to bring to your attention this year. These are postage/stationery and referees fees and expenses which did not appear in 2013.

Following unsuccessful attempts to conduct all the league's business electronically in 2013, it has been decided that all clubs should receive paper copies of entry forms and league correspondence in addition to it being available on the website.

Additionally the league has attempted to provide committee representation, referees and refreshments at all finals this year which has brought about the increase in referee's fees and refreshments.

As stated earlier, I will be happy to answer any queries arising at the AGM.

Dave Bishop

SDBSL Treasurer
