

Committee Statement

In the AOB section of the 2014 SDBSL AGM minutes the following point was noted:

- **Fee paid to Brian Coppin questioned by Malcolm Wharne – committee agreed to look into.**

At the committee meeting on the **6th June 2012**, which was held at Stafford Rangers Social Club, item 3, detailed below, was agreed:

	Item	Vote	Action
3	Approval for quarter payment of annual honorarium for Admin Secretary role to Brian Coppin - for services rendered from when S. Barber resigned, to cover expenses.	All Present at the meeting	As a goodwill gesture committee agreed to a payment of £125 to Brian Coppin for his services accompanied by a letter of appreciation.

This was awarded to Brian Coppin for the work done as temporary administration secretary, a role vacated by the previous Administration Secretary mid-way through his term.

Please be aware, that the previous Administration Secretary was paid in advance for the role and has not offered to repay any monies for services NOT provided as far as the current Committee can determine. A decision to make a payment in advance to the then Administration Secretary (unheard of in the league as far as we are aware) was authorised by the previous committee.
