

Stafford & District Billiards and Snooker League

2019 AGM - Treasurer's Report

Firstly I would like to thank all of you who have continued to support the SDBSL over this last year and to the club representatives for their efforts in ensuring that invoices have been paid promptly so that all match fees could be included in the income and expenditure account.

I would also like to thank Dave Bishop and Mark Silvester, who have both kindly volunteered their time to audit this year's accounts. I can now confirm that the 2018/19 accounts have now been passed and signed off with no issues raised with any of the information provided.

As a result of this I am pleased to report that in the 2018/19 account period the league has a surplus of income over expenditure of £358.80. With Debtors totalling £10.00 and Creditors of £1,335.00 the leagues Current Assets stand at £3,320.31.

To give more of a true and accurate reflection of where the league stands financially I have included the prize money due to be paid out in November as a Creditor on the Balance Sheet as at 30th June 2019.

All league finances from the 2018/19 accounting period are now available on the website for you to review before the AGM. I hope you will all continue to support the SDBSL and the Management Committee in the forthcoming season.

Kind Regards

Paul Weatherer
SDBSL Treasurer
